

*Quinta de Ventozelo
10 Year Old Tawny Port*

"Outstanding 10 year old. Rich aromas of caramel raisin and light spice open to a medium-bodied palate, with a medium sweetness and long toffee finish."

*Quinta de Ventozelo
20 Year Old Tawny Port*

"Very old smell, almost dusty and varnished but there's lots of ripe fruit. Full-bodied, with raisin, prune and treacle flavors. Long finish. A bit rustic but it's got character. Tastes older than 20 years. Try it. "

*Quinta de Ventozelo
20 Year Old Tawny Port*

"Layers of dried fruits and prunes give a fruity character to this gently sweet wine. It's very elegant and delicate, but certainly very drinkable"

*Quinta de Ventozelo
LBV Port 2000*

"A very ripe style, with baked plum and prune aromas and flavors supported by hints of pastry crust and dried spices. Medium to full in body, with soft tannins and a long, spicy finish."

*Quinta de Ventozelo
LBV Port 1998*

"Intense aromas of chocolate, licorice and dried fruit blast from the glass. The hugely-flavored nectar is reminiscent of fruit cake spice, Bing cherries and black licorice. This was (full bunch) foot trodden and left unfiltered."

*Quinta de Ventozelo
Reserva Port*

"Fine quality for a Reserve blend, this offers a layered scent of plum and esteva. The richness of the aroma continues in the mouth, sweet as almond rocha, still dynamic with spice. For Stilton."

Quinta de Ventozelo Vintage Port 2000

"Generous quantities of sweet cassis and blackberry fruit are present in this medium-bodied, soft, straightforward but delicious vintage port. While not a heavyweight, it is well made and ideal for drinking between 2005-2015."

Quinta de Ventozelo Vintage Port 2000

"Dense Glossy but some good berry fruit. Very good solid fruit and tannins, tight and mouth filling. Finishes with a flourish. 10 Years+."

Quinta de Ventozelo Vintage Port 2002

"Already throwing considerable sediment and possessed of a creamy, supple mouth feel, this is a Vintage Port that no one suspects should be consumed young. Enjoy its lush blueberry fruit and chocolate and spice complexity over the next 10 years. "
